

CREC Magnet Schools Sibling Preference Information

If you currently have a child enrolled in a CREC Magnet School, you may be eligible to receive sibling preference for a CREC Magnet School through the Regional School Choice Office (RSCO) lottery.

Eligibility criteria for sibling preference are below:

- Sibling Preference is only available for siblings of currently enrolled students in a CREC Magnet School for the 2017-18 school year
- Siblings are defined as students living in the same household with a common biological parent, legal guardian or foster family
- Sibling preference is offered to siblings of a currently enrolled student(s) in a CREC magnet school who is applying to the **same school** attended by the current CREC student
- The current student must continue to attend that school in the 2018-19 school year
- Applicants must select the current student's school as **first (1st) choice** on the RSCO lottery application to be considered for the sibling preference
- Applicants must enter the name, grade and school of the current sibling on the RSCO lottery application
- CREC will verify sibling information for accuracy
- Sibling preference is not a guarantee, and is based on available seats

* Please note: CREC will verify all information received for sibling preference requests. A request for sibling preference is not a guarantee of a placement offer. Placement offers are based on seat availability in the requested grade and school.
